

Please join us for a free CME Event: Stemming the Tide of the Overdose Epidemic

Saturday, October 28, 2023

7:30 a.m. - 5:30 p.m.

Fox Valley Technical College – Appleton Campus

1825 N. Bluemound Dr

Appleton, WI 54912

Room number: A170

Entrance: 16

Parking Lot: North

Registration begins at 7:30 a.m. Event begins at 8:00 a.m.

Light breakfast and box lunch will be provided.

Open to all physicians and advanced practice clinicians in the area. Residents and NP students are also welcome to attend.

Prescribers may receive up to 8 CME hours. This training will meet the new DEA requirement that all prescribers complete 8 hours of addiction medicine training by the time of DEA registration. This requirement applies to all registrations (initial or renewal) filed on or after June 27, 2023.

Please register through the link below before October 20, 2023:

[Stemming the Tide of the Overdose Epidemic: A Free CME Event Tickets, Sat, Oct 28, 2023 at 7:30 AM | Eventbrite](#)

This event is offered by ThedaCare in collaboration with Wisconsin Society of Addiction (WISAM) through generous funding by ThedaCare Family of Foundations and WISAM
